## TWO PEKES HONORED AT PUP SHOWER

Two seven-week old peking-ees, recently acquired by Opal Walters, owner of Georges Restaurant, are probably the most pampered pups in town.

When Mrs. Walters returned from a vacation in Hasperia last week with her tiny Chinese canines, the employees at Georges decided to celebrate the occasion by throwing a puppy shower.

The puppies as yet unnamed, are now proud possessors of matching sweaters, the latest in dog brushes for perfect grooming, a set of dishes, blankets, and an electric heating pad.
